

It's something we all have.

In fact, we all have the same amount.

It may feel unbearably long
- or far too short.

But it's there. Always.

Maybe that's why we forget it.

Take it for granted?

We often fail to realise how precious it is until we run out of it.

But right now, at this very moment, we have plenty of it.

And we can spend it together.
